

Provisional Programme

Monday

Group A - Medicine

Group B - Surgery

Group C - Acute / Specialist

0800 - 0845	Registration		
0845 - 0930	Welcome & Introduction		
0930 - 1030	DiLo Cardiologist	DiLo Cardiothoracic Surgeon	DiLo Acute Physician
1030 - 1130	DiLo Neurologist	DiLo Plastic Surgeon	DiLo Anaesthetist
1130 - 1145	Break		
1145 - 1245	DiLo General Practitioner	DiLo Orthopaedic Surgeon	DiLo Paediatrician
1245 - 1345	Lunch		
1345 - 1445	DiLo Oncologist	DiLo ENT Surgeon	DiLo Radiologist
1445 - 1545	DiLo Psychiatrist	DiLo Paediatric Surgeon	DiLo Obstetrician & Gynaecologist
1545 - 1645	DiLo Endocrinologist	DiLo General Surgeon	DiLo Emergency Physician
1645 - 1745	Surgical Skills Talk & Demonstration by RCSEd Tutor Mr Tandon		

DiLo = Day in the Life of a...

Tuesday

	<u>Stream 1</u> General Surgery, Urology, Cardiothoracic Surgery	<u>Stream 2</u> Plastic Surgery, Orthopaedics, ENT, Paediatric Surgery	<u>Stream 3</u> Vascular Surgery, Neurosurgery, Radiology, Ophthalmology	<u>Stream 4</u> Neurology, Psychiatry, Elderly Medicine	<u>Stream 5</u> Cardiology, Nephrology, Respiratory Medicine	<u>Stream 6</u> GP, Endocrinology, Dermatology, General Medicine, Gastroenterology	<u>Stream 7</u> Anaesthetics, Critical Care, Emergency Medicine, Acute and Emergency Medicine	<u>Stream 8</u> Obstetrics and Gynaecology, Fertility Medicine, Paediatrics, Neonatology
0830 - 0900	Registration							
0900 - 0950	Laparoscopic and Ultrasound Skills (Workshop)	Essentials of ENT	Orthopaedic Skills (Workshop)	Basic and Trauma Life Support, Ophthalmology and Otoscopy (Workshop)	Common ECG Presentations and Management	Overview of GP	Surgical Skills (Workshop)	Fundamentals of Obstetrics and Obstetric Emergencies
0950 - 1040		Paediatric Surgical Emergencies			Chest X-rays: How to Identify Lung Disease			
1040 - 1100	Break							
1100 - 1150	General Surgical Emergencies	Laparoscopic and Ultrasound Skills (Workshop)	Neurosurgical Management of Neurological Conditions	Neurological History Taking	Basic and Trauma Life Support, Ophthalmology and Otoscopy (Workshop)	Surgical Skills (Workshop)	Emergency Medicine: An Approach and Explanation	Orthopaedic Skills (Workshop)
1150 - 1240	Overview of Upper Gastrointestinal Surgery		Overview of Radiological Imaging	Psychiatric History Taking			Pre-operative Assessment and Intra- operative Care -	
1240 - 1340	Lunch							
1340 - 1430	Orthopaedic Skills (Workshop)	Orthopaedic Conditions and Management	Laparoscopic and Ultrasound Skills (Workshop)	Surgical Skills (Workshop)	Essentials of Nephrology	Basic and Trauma Life Support, Ophthalmology and Otoscopy (Workshop)	Intensive Care - Patient Challenges and how to Overcome them	Ethical Dilemmas in Paediatrics
1430 - 1520		ENT History Taking and Examination			Renal Emergencies		Management of Major Trauma in A&E	Intravenous Fluids in Children
1520 - 1610	Common Urological Conditions and Management	Orthopaedic Skills (Workshop)	Brain and CNS Tumours	Overview of Elderly Medicine	Surgical Skills (Workshop)	Recent Advances and the Future of GP	Basic and Trauma Life Support, Ophthalmology and Otoscopy (Workshop)	Laparoscopic and Ultrasound Skills (Workshop)
1610 - 1700	An Overview of Transplant Surgery		Assessment of Head Injury, GCS and management.	Elderly Medicine: Challenges and how to Overcome them				

Wednesday

	<u>Stream 1</u> General Surgery, Urology, Cardiothoracic Surgery	<u>Stream 2</u> Plastic Surgery, Orthopaedics, ENT, Paediatric Surgery	<u>Stream 3</u> Vascular Surgery, Neurosurgery, Radiology, Ophthalmology	<u>Stream 4</u> Neurology, Psychiatry, Elderly Medicine	<u>Stream 5</u> Cardiology, Nephrology, Respiratory Medicine	<u>Stream 6</u> GP, Endocrinology, Dermatology, General Medicine, Gastroenterology	<u>Stream 7</u> Anaesthetics, Critical Care, Emergency Medicine, Acute and Emergency Medicine	<u>Stream 8</u> Obstetrics and Gynaecology, Fertility Medicine, Paediatrics, Neonatology
0830 - 0900	Registration							
0900 - 0950	Surgical Skills (Workshop)	Essentials of Plastic Surgery	Basic and Trauma Life Support, Ophthalmology and Otoscopy (Workshop)	Airway Management, Anaesthetics, ECG and Chest Drain Insertion (Workshop)	Common Respiratory Conditions & Management	Overview of Oncological Emergencies	Laparoscopic and Ultrasound Skills (Workshop)	Overview of Contraception and Sterilisation
0950 - 1040		Assessment & Management of Hand & Wrist, including Congenital Conditions			Cardiology: Past Present and Future	Overview of Oncology		Gynaecological Disorders and Malignancies
1040 - 1100	Break							
1100 - 1150	Fundamentals of Cardiac Surgery	Surgical Skills (Workshop)	Recent Advances and Future of Neurosurgery	Common Psychiatric Conditions and Management	Airway Management, Anaesthetics, ECG and Chest Drain Insertion (Workshop)	Laparoscopic and Ultrasound Skills (Workshop)	Overview of Managing Patients in Intensive Care or Critical Care	Obstetrics, Gynaecological, Paediatric and Neonatology Skills (Workshop)
1150 - 1240	Recent and Future Advances of Cardiothoracic Surgery		Overview of Vascular Surgery and Emergencies	Ethical Issues in Psychiatry			Gradually Deteriorating Patients: Steps to Follow	
1240 - 1340	Lunch							
1340 - 1430	Basic and Trauma Life Support, Ophthalmology and Otoscopy (Workshop)	An Overview of Orthopaedic Conditions	Surgical Skills (Workshop)	Laparoscopic and Ultrasound Skills (Workshop)	Ischaemic Heart Disease and Congenital Cardiac Failure	Obstetrics, Gynaecological, Paediatric and Neonatology Skills (Workshop)	Shock and Ionotropes	Common Paediatric Conditions and Management
1430 - 1520		Recent Advances and Future of ENT Surgery			Overview of Heart Failure & Cardiac Monitoring		Types of Anaesthesia: Indications and Management	Obstetric and Neonatal Infections
1520 - 1610	Essentials of Hepatobiliary-pancreatic surgery	Basic and Trauma Life Support, Ophthalmology and Otoscopy (Workshop)	Common Presentations in Ophthalmology	Overview of Epilepsy and Management -	Laparoscopic and Ultrasound Skills (Workshop)	Overview of Endocrinology (excluding Diabetes) -	Airway Management, Anaesthetics, ECG and Chest Drain Insertion (Workshop)	Surgical Skills (Workshop)
1610 - 1700	Laparoscopic Surgery		Recent Advances and Future of Ophthalmology	Future of Neurological Interventions: Recent Advances and Concepts in Neuroradiology	Overview of Rare Endocrinological Conditions			

Thursday

0830 - 0900	Registration
0900 - 1000	World Anatomy Challenge Screening
1000 - 1100	New Uses For Old Drugs
1100 - 1130	Break
1130 - 1330	Debate: 'This House Believes That the Medical Curriculum Should be Taught in Groups Based on Academic Ability'
1330 - 1430	Lunch
1430 - 1530	Ten Easy Steps on the Road to Publication
1530 - 1700	World Anatomy Challenge: Finals
1700 - 1730	Doctors Academy 2015 Photo

Friday

0830 - 0900	Registration
0900 - 1000	Title to be confirmed...
1000 - 1100	Maintaining your Enthusiasm in Medicine
1100 - 1130	Break
